

Focused service with global scale

Stronger together

We blend the personalised service of a hyper-focused 'boutique forwarder', with the global-reach, scale and buying-power of our \$multi-billion Asian forwarding group, so that our dedicated team of experts in the USA, UK and Ireland can provide unrivalled multi-modal freight, logistics and supply chain solutions that match our clients' exact requirements.

End-to-end solutions for a wide range of industries, including eCommerce, foodstuffs, industrial and hazardous, are supported by global visibility and supply chain management tools that simplify trade. Innovative technology that is pioneered, developed and supported by internal tech teams.

Innovating technology to simplify trade

We have pioneered the development of global visibility and supply chain management tools, with dedicated development and support teams in Asia, Europe and North America, to maintain and adapt systems to individual customer requirements.

- Bespoke systems; conceived and managed internally
- End-to-end consignment visibility 24/7/365 on any device
- Purchase Order Management and supply chain optimization
- Enhanced track and trace service to give real time accuracy
- Real-time updates and ASN 865 EDI/API exchange

Global Forwarding and Hecny Group

For 30 years our people have set Global Forwarding apart, with their unwavering commitment to delivering solutions and supporting their customers. For the last 10 years those solutions and support have been super-charged by integration with the market-leading technology and billion dollar buying power of the family-owned Hecny Group, in over 70 offices and 23 countries.
